

As a newly admitted student, we realize some of you haven't had a chance to visit campus yet. These overnight visits for admitted students are a great opportunity spend the night with a current student, attend a class session, chat with a professor, and see if Valpo is the fit for you! We know it isn't always possible to come by yourself. Parents might enjoy learning about Valpo firsthand and that's why we've planned a schedule for them, too! If these dates aren't convenient, please call the Admission Office (toll free 888-468-2576) to schedule a personalized visit.

All of the following fields are required to submit the form.

Student Name and Contact Information

First Last Street Address City Zip — — Phone # Email Full name of parent(s)/guardian only if participating in the Visit program — limit 2 per student

Academic information

High-school name High-school graduation date

Have you have been invited to apply to Christ College-The Honors College, and would you like an appointment or class visit?

Other

Would you like to spend the night with a Valpo student host?

List three hobbies or interests that would tell us more about you.
