

## **Can I order a special number or vanity version of the Valpo Plate?**

The Valpo plates are made and shipped in sequential order, so you are unable to request a specific number on your plate. Each branch receives the quantity of plates that it sold last year. For example, Branch 1 receives the necessary quantity starting with plate number 101. Branches follow in order. So your number is dictated by where you purchase your plates. However, you may request a vanity version of a Valpo plate through the BMV at an additional cost of \$45.

## **Do I get a new plate each year?**

Your Valpo plate is regarded just like any other Indiana plate, as long as you continue to get a certified form. We will send you a renewal form. To keep your plate, just complete the form, submit your donation to Valparaiso University (at least \$25), and mail to Valpo License Plate Program at:

### **Valpo License Plate Program**

Office of Alumni Relations Valparaiso University 1100 Campus Drive South  
Valparaiso, IN 46383

We will send you a certified form to turn in with your registration. You will receive a sticker to place on your plate.
