

**Student Alumni Association  
APPLICATION**

**MISSION:**

The Student Alumni Association fosters pride and tradition among students and develops lifelong relationships to Valparaiso University.

**PURPOSE:**

- To sponsor campus events and activities which promote school spirit and tradition while enhancing interaction between students, alumni, faculty, and staff.
- To promote the interests of and understanding between students of the past, present, and future.
- To work in cooperation with University officers and the Valparaiso University Alumni Association (VUAA) in developing a network between current students and alumni.
- To enhance the education of students and prepare them to serve as future alumni leaders.
