

WELCOME VALPO ALUMNI

If you find yourself thinking about graduate or professional school, have been downsized in your current position, are exploring how to enhance your current employment situation, or wondering how to "[give back to Valpo](#)" in ways other than financial support - consider the Valpo Career Center as a tool to meet your goals.

You are able to access the following services:

- Resume critiquing
- Graduate/Professional School application assistance
- Experience eRecruiting (Online Resume/Employer Database)
- Job search advice
- Salary information
- Limited Career Counseling

Feel free to contact our office to take advantage of these services.
