

FALL VALPO CAREER FAIR

This coming September will mark our 12th anniversary of this highly visible annual event and we're delighted to continue to provide employers with excellent opportunities to connect with Valpo students and establish a strong presence on campus. All Valpo students, freshmen through seniors as well as graduate students, are invited to attend and discuss topics such as choosing or enhancing a major, investigating career options, and securing internships and co-ops.

Friday, September 18, 2009 10:00 am to 2:00 pm Harre Union Ballroom
