

## VALPO CAREER FAIR

This September will mark the 13th anniversary of this highly visible event and we're delighted to provide employers with opportunities to connect with Valpo students and establish a strong presence on campus. All Valpo students, freshmen through seniors as well as graduate students, are invited to attend and discuss topics such as choosing or enhancing a major, investigating career options, employment opportunities, graduate school, and securing internships and co-ops.

*Friday, September 17, 2010 10:00 am to 2:00 pm*  
*Harre Union Ballroom*
