

INTERVIEW JOB CANDIDATES ON CAMPUS

On-campus recruiting takes place October through November, and January through April.

Post job descriptions and desired qualifications on [Valpo Connect](#) (*Experience*). Qualified students then sign up for interviews and submit their resumes online.

You are able to view the resumes on-line, select which students you would like to interview, and then schedule interviews accordingly.

To schedule or to learn more about on-campus interviewing, please contact Tom Cath or Lisa Grubb at 219-464-5005 or career.center@valpo.edu.
