GradStaff specializes exclusively in helping college graduates secure entry-level or early-stage professional business positions. The majority of their business involves filling long-term positions through a temporary-to-hire model. They also fill temporary assignments, which are ideal for those who aren't able to make a long-term commitment but still want to obtain professional work experience. In addition to the placement services they provide, GradStaff also provides one-on-one career coaching, including feedback on your interviewing skills and resume as well as making suggestions for expanding or narrowing your job search based on your transferable skills and career interests. To apply or find out more email Nicole Potoshnick at npotoshnick@gradstaff.com. URL: <http://www.gradstaff.com/>
