

## FUNDAMENTALS OF BUSINESS MINOR

Specifically designed for non-business students, this minor is meant to introduce nonbusiness majors in Arts and Sciences, Engineering, and Nursing to the fundamentals of business.

Students who are considering the possibility of becoming Business Majors must take the prerequisite courses in mathematics, statistics, etc., in order to qualify for admission to the College of Business Administration

Students who intend to complete the Fundamentals of Business Minor are strongly encouraged to consult with the office of the Dean of the college of Arts and Sciences to obtain proper advising.

Students earning a Bachelor's degree in the College of Arts and Sciences may apply the 15 credits earned in the courses offered by the College of Business Administration toward the 124 required for graduation.

Required courses are:

- Principles of Economics – Micro
- Financial Accounting
- Legal Environment of Business
- Financial Management
- Management and Organizational Behavior
- Marketing Management
