

*"Teach me your way, O LORD, that I may walk in your truth"
(Ps 86:11 ESV).*

You don't need to learn and walk in the Lord's way by yourself. Make 2011-2012 the year to join a seasoned traveling companion. VU's Center for Church Vocations offers one-on-one mentoring for students in many areas of ministry as well as those still discerning.

Opportunities:

- a local mentor in your denomination, with experience in your area of discernment
- regular meetings with your mentor throughout the academic year
- growth in your discernment
- freedom to explore your calling

Favorite Activities:

- talking
- eating
- reading together
- praying
- observation and involvement in mentor's ministry
- worshiping together
- attending workshops and other events related to one's discerned ministry
