

**Gregory Maytan: Violin Bow**  
**Awarded \$1,000**

This application is to request \$1,000 to offset the purchase cost of a Berg violin bow for teaching and performing. Used by professional players around the world, the Berg bow costs \$4,000 and is known for its craftsmanship and sound quality. The visual and performing arts are an essential part of the University's mission, and our music program attracts students from across the nation. As a musician-teacher, I require a first-class bow to excel as a violinist and to build confidence in my demonstration skills. The Berg bow will greatly enhance my teaching and performing ability throughout my entire career.
