

WELCOME, CWC

The Valparaiso University Guild's Christian Women's Conference takes place on campus April 24-26. Sponsored by the Christopher Foundation, the conference welcomes approximately 200 attendees from all over the country. The programming includes the choice of 16 track sessions and Sue Steege as the keynote speaker and is appropriate for all ages.

Blessings to you as you enjoy this next weekend as a retreat, reunion or as a time of personal renewal. We hope you will stop by the Chapel during your time here.
