

## LIGHTS OUT FOR EARTH HOUR

You are invited to participate Earth Hour on Saturday, March 28th, at 8:30 to 9:30 p.m. Earth Hour is an annual international event created by the World Wildlife Fund, that asks everyone to turn off their non-essential lights and electrical appliances for one hour to show your support for action on climate change. At VU, Earthtones is planning an event to be held at the Chapel during that time. Turn off your room lights and head over to the Chapel to learn about aspects of climate change and the major actions that can be done on campus to lower our collective carbon footprint. Every individual's actions are a positive change! Contact [David.Fritsch@valpo.edu](mailto:David.Fritsch@valpo.edu) for more info.
