

LIFE TREE RETREAT

Students, could you use a weekend away, at a lakeside retreat, at no cost to you — and with all the meals included? No, there's no timeshare pitch to listen to, only participation in a retreat focusing on getting away, prayer, scripture and fellowship with others who are hoping to learn how to listen more closely to God. Join students and chapel staff for the Life Tree Retreat March 20-22 if you have questions about faith, prayer and how to hear God speaking to you. Enjoy a weekend away from campus at the Lindenwood Retreat Center. The retreat is free — but the information is priceless! Sign up before the Feb. 26 deadline by contacting Pastor Darlene.grega@valpo.edu by email or at 464-5099. Spaces are limited. Already have a Sunday morning commitment? Don't worry! The retreat begins Friday evening and officially ends on Sunday after breakfast, but you may return Saturday evening after 10 p.m. or earlier Sunday morning if you need to participate in Sunday activities.
