

PEACE EVENT PLANNED

On Thursday, March 19, there will be a community peace event at the Chapel of the Resurrection at 7 p.m. Within our community we have a wide representation of world religions. People of faith and those who hold to no faith practice seek peace in our world. This gathering (not a worship service) is an opportunity for our community to raise up diverse cries for peace representing our differing faiths and our united voices for peace. Through this event we hope to help our community become more familiar with some spiritual practices and some of the sacred writings of other faith traditions so that we can continue to dialogue with each other on issues of concern to us all.

If you have any questions, please feel free to contact Rev. Darlene Grega, Associate University Pastor.
