

PHOTOS FEATURING CAMPUS ON VIEW AT CHAPEL

A new exhibit will go on view in the Chapel Saturday, April 11th, 2009, featuring photographs taken by Mike Jacobs, a staff member in Facilities Management. The photos show numerous scenes of the VU campus, taken from some vantage points few ever get to see. Please join us for a reception Monday, April 13th, from 3:30 to 5:00 p.m. in the Chapel, to congratulate Mike and to see his artwork, which will remain up through the end of the school year.
