

TAIZE WORSHIP IS TIME FOR QUIET REFLECTION

Thursday mornings offer you a time to enjoy quiet contemplation around the cross, as our Taizé worship continues as part of our Morning Prayer schedule.

Taizé worship is meditative worship. In Taizé worship, each piece is short and meant to be sung numerous times with the repetition allowing time for reflection and meditation.

As with the Taizé service introduced at the start of this school year, our Epiphany Taizé service is focused on time for prayer around the cross. You are encouraged to come to the cross at the designated time, to pray and light a candle if you wish.

The Taizé service begins a little earlier than the usual 11:15 a.m. start time and may extend beyond the 11:35 end time, although you are welcome to come and go quietly as your schedule permits.
