

WRC 09 MEETS GOAL

Here's an exciting piece of news concerning SALT's 2009 World Relief Campaign, "Shui 2 Go!" which will bring a water pipeline to nearly 900 people in Saihan, China. All of the numbers are in, and the grand total is.....\$16,015.78! (Our goal was \$15,000.) Way to go, SALTers! Despite the unfavorable economy, our efforts paid off, and we have reached our goal!
