

## SALT CHOOSES NAME FOR WRC '09

The Social Action Leadership Team (SALT) is the Chapel's social justice ministry. Students in SALT serve as the leadership team that invites Valpo students to engage in Christian service both near and far. At Tuesday's meeting, SALT selected "sHui 2 gO: Pipeline to the People" as the name of the 2009 World Relief Campaign. (Shui is the Chinese word for water and is pronounced "Shway.") The campaign, which kicks off soon, will help bring clean water to the rural Yunnan Province of China. SALT meets at 9:30 p.m. each Tuesday in the Lumina Room of Huegli Hall. Join us!
