

## FOUNDERS DAY 2009

Founders Day at VU is a time for appreciating the roots of our university. This year on Founders Day at Morning Prayer, our service will be a mix of looking backward and looking forward. Please join us at 11:15 a.m. Friday, Sept. 25th. There will be something for everyone, from traditional organ to praise band! And look for free cake outside the Chapel that day, another Founders Day tradition.
