

## WORLD RELIEF CAMPAIGN

### **Our 2010 Campaign**

Every year, the Social Action Leadership Team (SALT) of the Chapel of the Resurrection at Valparaiso University selects one project for which to raise money. This year the target goal for SALT's campaign will be \$12,500. Funding must directly support a specific project that falls under the auspices of an already established organization active either inside or outside the United States. At the conclusion of the campaign (May 2010), funds (whether above or below the target goal) will be distributed and must be used within the next year. Completing this application is the first step in becoming our partner to bring aid and resources to those seeking change. But don't wait! Deadline for submitting your application is Nov. 13th! Download an [application here](#).

### **Why do a World Relief Campaign?**

The Social Action Leadership Team (SALT) is the Spirit-led social justice ministry of the Chapel of the Resurrection in which students in community seek to embody the Christian call to be the 'salt of the earth' (Matt. 5:13). Taking seriously this call, SALT students develop and practice a Christian theology of social action, and raise awareness and encourage a Christian response to social justice issues. As an essential part of this mission, SALT partners with both international and local communities in order to address critical needs within those areas. Every year for the past two decades, SALT has selected a specific project in need of funding and organized a fund-raising campaign around it known as the World Relief Campaign (WRC). These projects may vary greatly in location and type but consistently offer a sustainable asset to the selected community. Once the project and target monetary goal are established, SALT works to educate and organize the campus and the city in order to both increase awareness of the need within that region and raise funds. Begun and completed during each spring semester, the World Relief Campaign is a fast-paced and large-scale fundraising drive.

### **Previous Years**

SALT has been helping people around the globe for years with the World Relief Campaign!

2009 project, "[Shui 2 Go: Pipeline to the People](#)" was a project to bring clean water to the rural Yunnan Province of China.

2008 project, Child Creativity Center in Jakarta, Indonesia, [EdJakarta, Imagination in Session](#)

2007, Uganda, Mission Nutriion, nutrition program

2006, Haiti, Operation Haiti health care clinic

2005, Malawi, Peanut Butter Project

2004, Crow Creek, South Dakota, Book It to Crow Creek

2003, Bethlehem, Beds for Orphanages

Chapel of the Resurrection - Valparaiso University  
2002, Kenya, AIDS/HIV treatment for children
