

Fall 2011 Chemistry and Interdisciplinary Science Colloquium

September 2

No Seminar – Neils Picnic

September 9

“New Developments in Liquid Interfacial Nanoscience”

Dr. Mark Schlossman

University of Illinois

Neils Science Center RM234, 3:30-4:30

September 16

Student Research Presentations

Lauren Prusinski and Mike Shenefield

Neils Science Center RM224, 3:30-4:30

September 23

“Atomic Layer Deposition: a surface science synthesis route to new materials to meet our energy needs”

Dr. Michael Pellin

Argonne National Lab

Neils Science Center RM234, 3:30-4:30

September 30

“TBA”

Dr. Grant Kraft

Chairman CSO Acumen Pharmaceuticals

Neils Science Center RM234, 3:30-4:30

October 7

“Bugs Never Lie”

Dr. Neal Haskell

Saint Josephs College

Neils Science Center RM234, 3:30-4:30

October 21

“Astrobiology, life and space exploration: Interdisciplinary Research and Technology in the real world”

Dr. Margaret Race

SETI Institute

Neils Science Center RM234, 3:30-4:30

October 28

“TBA”

Chandra Adams

Patent Attorney - Sanofi

Neils Science Center RM224, 3:30-4:30

November 4

“TBA”

Dr. Phil Hipskind

Eli Lilly

Neils Science Center RM224, 3:30-4:30

November 11

“TBA”

Dr. Garon Smith

University of Montana

Neils Science Center RM234, 3:30-4:30

December 2

“TBA”

Dr. Julie Strumble

ChromaDex

Joint seminar with Biology

Neils Science Center RM234, 3:30-4:30
