

FACULTY AND STAFF

The six-member chemistry faculty at Valparaiso University have backgrounds covering each major discipline of chemistry - analytical chemistry, biochemistry, inorganic chemistry, organic chemistry, and physical chemistry. In addition, Dr. Gil Cook serves as Senior Research Professor and conducts full-time research. Each faculty member has their doctorate degree from a well-recognized university.

- [Robert W. Clark](#) - Bioinorganic Chemistry and Biochemistry
- [A. Gilbert Cook](#) - Senior Research Professor
- [Steven C. Engerer](#) - Inorganic Chemistry
- [Thomas E. Goyne](#) - Biochemistry
- [Kevin L. Jantzi](#) - Organic Chemistry
- [Warren M. Kosman](#) - Physical Chemistry
- [Jonathan K. Schoer](#) - Analytical Chemistry

- [Gina Doneske](#) - Administrative Assistant and Stockroom Manager
