

SCHOLARSHIPS AND AWARDS

Distinguished Chemistry Scholarship

- \$3000/yr
- Renewable by maintaining a chemistry major with a 3.0 GPA.

Awarded to an incoming first year chemistry major who is likely to continue on to receive a Ph.D. in chemistry or biochemistry. The student must file an application with the department by January 12, 2009. An application form can be requested from either the department chair or the Office of Admission (www.valpo.edu/admission/).

Edith S. Lessor Memorial Scholarships

- Variable amount
- Renewable by maintaining a chemistry major with a 3.0 GPA.

Awarded to female chemistry majors. Some are awarded to incoming students and some are awarded to current students. Contact the chemistry department chair for details.

Chemistry Department Scholarships (5)
