

ALUMNI ADVISORY BOARD

A group of alumni advise and support the Christ College Dean on CC matters, including how best to serve our alumni, fund raising, and development. Alumni Advisory Board meetings and luncheon are held at Homecoming each fall. Alumni are eligible for membership five years after graduation and are expected to be regular contributors to the CC Dean's Annual Fund; many have provided leadership gifts to the College. The CC Alumni Advisory Board was established in 1990.
