

## CHRIST COLLEGE ALUMNI

Christ College Dean  
Mel Piehl '68

Christ College alumni - who number nearly 2,000 - are an important part of the College's larger community. Christ College maintains a range of opportunities designed to keep alumni informed about and involved in CC. We invite you to explore CC's alumni web pages and visit other pages to see what current CC students are doing. We'd love to hear from you, too. We invite you to email us with your current contact information and professional and personal news. Email us at [Christ.College@valpo.edu](mailto:Christ.College@valpo.edu).

Please join us for Homecoming 2010, September 23-25. We'll host the traditional Thursday evening Symposium panel of CC alumni with a reception in the newly renovated Mueller Hall Courtyard. On Saturday, September 25, we'll greet alumni friends and families in the Commons and Courtyard for a reception with CC faculty and staff. See VU's Homecoming schedule [here](#).
