

EXPLORATORY LAUNCH

During the first week of the fall semester as an Exploratory student you will be invited to the Exploratory Launch, an informal meeting where you will meet other Exploratory students and reconnect with your advisor (with whom you will have met during freshmen orientation). At a time when you're launching your own personal journey towards self-discovery, this meeting will give you a chance to hear about opportunities and programs available to you as an Exploratory student, to ask questions and to meet new people.
