

2006-2007 AWARD LETTER CHANGE FORM

Office of Financial Aid • Valparaiso University

NOTE: You may complete this form on-line at www.valpo.edu/finaid/forms.html

Name _____

VU ID# _____

Reminder:

You must borrow your maximum eligibility under the Federal Direct Subsidized Loan prior to borrowing any funds under the Federal Direct Unsubsidized Loan. You must use your entire Federal Direct Loan prior to borrowing any funds under the Federal Perkins loan or an Institutional Loan.

Loan Adjustments

I wish to REDUCE or DECLINE a loan that has been offered to me.

| Loan Name | <u>New</u> Fall Amount | <u>New</u> Spring Amount | <u>New</u> Total Loan Amount |
|-----------|------------------------|--------------------------|------------------------------|
| _____ | \$ _____ | \$ _____ | \$ _____ |
| _____ | \$ _____ | \$ _____ | \$ _____ |

*If you wish to decline a loan entirely, please put a zero for the new amount.

*If you want to reduce your Federal Direct Loan, keep in mind that you will receive the loan amount requested less 1.5 percent. To determine how much to borrow, multiply the amount you need by 1.015%

Example: You're awarded \$3500; you only need \$2150; you will have to borrow \$2182. ($2150 \times 1.015 = 2182$)

Outside/Private Scholarships

I am receiving a scholarship from a source other than Valparaiso University.

List all gift awards and scholarships, other than those listed on your award letter, that you anticipate receiving for the 2006-2007 academic year. If awards are unknown at this time, you must notify the Office of Financial Aid upon receiving notification of the award amount. If receipt of these awards changes your current financial aid award, you will be mailed a revised award letter.

| Name/Source of scholarship | Fall Amount | Spring Amount | Renewable? (yes/no) |
