

EARLY AID ESTIMATOR

Dear Prospective Valpo Student:

Cost and affordability are major issues for many families when considering colleges and universities. To help you early in the process, you can receive an estimate of your financial aid eligibility at Valparaiso University. This estimate is for students that will be an entering as a traditional Freshmen in college. Use one of the two ways below to request your estimate. I strongly encourage you to use this service to find out how affordable Valpo may be for you.

Sincerely, Robert Helgeson, Director of Financial Aid

Please Note: Estimators can be completed any time through January 15th of your senior year in High School. After January 15th, you are encouraged to complete the Free Application for Federal Student Aid (FAFSA) instead of the Financial Aid Estimate Form.
