

2010-2011 TUITION, FEES, AND ESTIMATED COSTS OF ATTENDANCE

Following are the costs of attending Valparaiso University in the academic year 2010-2011. The direct charges are billed by the university on a semester basis (1/2 of the total for each semester). The "estimated other costs" are used to determine total financial aid eligibility and to help you plan for all expenses; these estimated costs will differ between students. For a complete listing of all charges, consult the [University catalog](#).
