

FINDING AN ON-CAMPUS JOB

- You may refer to the job listing section of this web page. Contact the supervisor listed. Note: since new openings are listed as they come in and are often filled quickly, you may wish to check these listings often.
- You may initiate contact with any department to find possible openings.
- The supervisor may wish to re-hire a student who was previously employed.
- You may be selected from a class conducted by the supervisor.
