

FRENCH CLASS PROJECTS

French Senior Seminar film

Film: Un repas médiéval

French Contemporary French Language & Communication

[Blog](#): Bienvenue à l'université de Valparaiso In the Fall of 2007 French students enrolled in Professor Randa Duvick's French 306 course created video introductions to the Valparaiso University campus. We hope that these video projects will provide an overview of our campus, especially as we anticipate the arrival of several students from our exchange partner, [l'université de Cergy-Pontoise](#).
