

FRENCH HOUSE

La maison française is a new French language immersion opportunity within [The Uptown Apartments](#), a new apartment complex located on East Lincolnway north of campus. *La maison française* houses students who express interest in living in an intentional French immersion environment in an off-campus, apartment-style residence. Students make a commitment to French in communal areas of the apartment complex as well as to share communal evening meals through Thursday. Participation in additional French activities in conjunction with the *Cercle de la langue française* is a component of the experience. Upper-level (sophomore and above) who have completed French 204 are eligible to apply. Ça vous intéresse?
