

GENERAL EDUCATION REQUIREMENT

This is a general guideline for students who will start at VU in the fall of 2009. It is important that you consult with your advisor or a faculty member within your major to verify the specific requirements for your degree. If you have not yet chosen a major and are still unsure of your degree program, follow the guidelines for the Bachelor of Arts degree. Refer to the list of academic departments within the [College of Arts and Sciences](#).

These degree programs have a language requirement: • B.A. (Bachelor of Arts) • B.M. (Bachelor of Music) • B.S.W. (Bachelor of Social Work) • B.S.B.A. (Bachelor of Science in Business Administration) • B.S.A. (Bachelor of Science in Accounting) • B.S. in Engineering (VIEP-German and VIEP-French students only) These degree programs include language course(s) as an option to fulfill the Cultural Diversity requirement. • B.S. (Bachelor of Science) • B.S.F.A. (Bachelor of Science in Fine Arts) • B.S.P.E. (Bachelor of Science in Physical Education) • B.S. in Engineering (all degrees)

These degree programs do not have a language requirement. You may of course take a VU language course for elective credit. • B.M.Ed. (Bachelor of Music Education) • B.S.Ed. (Bachelor of Science Education) • B.S.N. (Bachelor of Science in Nursing)
