

## SPANISH HOUSE

The 2010-2011 Spanish House will be housed in Wehrenberg Hall, a co-ed hall housing upper-class students. The French House will join the French House and the [Global Leaders Community](#) in a “world language village” wing of Wehrenberg next year. All incoming exchange students will also be housed in the language village wing. Students make a commitment to speak Spanish in communal areas of the apartment complex as well as to share communal evening meals Sunday through Thursday. Participation in additional cultural activities in conjunction with the Spanish Club is also a component of the experience. Upper-class students (sophomore and above) who have completed Spanish 204 are eligible to apply. Students who are heritage speakers (students who speak some Spanish at home) are encouraged to apply.
