

INDIANA GERMAN INSTRUCTORS

Indiana is geographically so large that it is difficult for Indiana German instructors to interact with each other more than once or twice each year at IFLTA or AATG meetings. But you can get together regionally: simply locate other German instructors by clicking on your region. Use this list of colleagues to plan a quiz bowl for German students in your region, to meet other German instructors for a Kaffeeklatsch, or to organize an advocacy event. Be creative!

The Kade-Duesenberg German House and Cultural Center at Valparaiso University is pleased to host this listing for the benefit of Indiana German instructors.
