

Looking for Ways to Win Financial Support for Your Projects? Developing Successful Grants

VALPARAISO UNIVERSITY

Developing Successful Grants is designed to walk the funding seeker through the major phases of grant development.

Professor and author Patrick W. Miller, Ph.D., shares the tips and tricks of grant writing in only five days through a popular summer course at Valparaiso University, which features:

- Clear, concise guidelines for preparing grant proposals,
- Instruction based on 15 years of grant writing ideas and techniques,
- Hands-on grant activities and exercises,
- Relevant assignments,
- Certificate of completion, and
- Three hours of graduate or undergraduate credit.

Don't wait. Register now.
