

CAMPUS VISITS

If you are considering one of our graduate programs, we encourage you to visit Valparaiso's campus and the Graduate School Office. If you do so, we will waive your application fee, provided you visit us *before* submitting an application.

We will be happy to schedule appointments with an academic adviser, the financial aid office, and other faculty and staff, and we will arrange a campus tour for you.

Need a place to stay? We can help arrange a private room for you on campus for about \$30 a night (limit two nights).

To make the most of your visit, please contact us two weeks in advance. Of course, if you're in the neighborhood, we invite you to drop by even if you don't have an appointment.

Valparaiso University Graduate School & Continuing Education

Please Join Us for our Fall Open House!

Friday, September 24, 2010

From 11:30 am to 1:30 pm

More Details to be Announced!
