

VU GRADUATE SCHOOL ON THE ROAD

Every year, a representative from The Graduate School travels to several graduate school fairs. These fairs offer prospective students an opportunity to meet with the Graduate Admissions Counselors and learn more about The Graduate School at Valparaiso University. Our representative will provide you with information regarding our master's programs, dual degree programs, and post-graduate certificate programs, as well as admission criteria and deadlines.

We will be represented at the following fairs:

Date	Graduate Admissions Counselor	School
3/30/10	Laura	St. Ambrose University Augustana College Davenport, IA
4/14/10	Laura	Illinois College, Jacksonville
