

PANHELLENIC COUNCIL

Every woman who joins a sorority becomes a member of the Panhellenic Association. It is Panhellenic that unites every chapter woman regardless of individual chapter affiliation. Panhellenic originated to:

- Unite chapter women.
- Strengthen their values, and
- Establish common goals.

During recruitment, Panhellenic takes an active role in coordinating all aspects of the recruitment process-including the organizing, programming, and scheduling of recruitment events. For a copy of the Valparaiso University Panhellenic Council Constitution and Bylaws see the [Documents section of this website](#).

The Panhellenic Creed

We, as Undergraduate Members of women's fraternities, stand for good scholarship, for guarding of good health, for maintenance of fine standards, and for serving, to the best of our ability, our college community. Cooperation for furthering fraternity life, in harmony with its best possibilities, is the ideal that shall guide our fraternity activities.

We, as Fraternity Women, stand for service through the development of character inspired by the close contact and deep friendship of individual fraternity and Panhellenic life. The opportunity for wide and wise human service, through mutual respect and helpfulness, is the tenet by which we strive to live.
