

Please support the Valparaiso University Guild Care Package Project!

The VU Guild *enhances the student experience* while exemplifying the University's ideals of scholarship, freedom and faith. We have members nationwide who coordinate projects that raise funds and support Valpo students.

In order to show students tender, loving care, the Guild will assemble care packages for four occasions:

Halloween
December Finals
Valentine's Day and
May Finals.

These packages are filled with a variety of treats and lots of love!
