### A View Beyond Valpo

We recognize that college prepares students for their careers. Our aim is to sit down with each student individually by the time they are juniors and discuss what they need to do to "research" the steps necessary to attain their career goal so that they will make a wise decision in determining the way they should approach the job market, select a graduate school, or prepare for law school.

#### Opportunities in Secondary Education

\*Due to changes in the standards and requirements for Secondary Education majors, please contact the Education Department for the most up to date information. History majors should contact Professor Allan Brandhorst ([Allan.Brandhorst@valpo.edu](mailto:Allan.Brandhorst@valpo.edu)) for information about Social Studies Education.\*
