Current job information:

Job title

Employer

Please provide an overview of the kinds of duties you perform at this job. This is what is most interesting to our current students, so the more specific you can be, the more helpful it will be to them.

What additional training (beyond your undergraduate degree) did you need for your current job? Graduate programs? Work experience in related fields? A special training program by your employer? None?

In your current position, do you use any of the information or skills you learned as an IECA major in particular (a foreign language, understanding of economics, politics, cross-cultural sensitivity, research, etc.)? If so, please identify them.

If you have had positions in the past that also might be of interest to our majors, please feel free to include information about them as well.

Would you like to be identified on our website

_____ by first and last name, year of graduation from VU

_____ by first name and year of graduation from VU

_____ only by year of graduation from VU

A recent photo would also be welcome, for those willing to provide one!

If you have any additional news to share with your former professors or any insights/advice for IECA majors considering their career options, please provide it in the space below.
