

UPDATE CHANGES

If there is a change in your name, country of citizenship, dependent information, major, degree level, or funding source, we need to update that information and reflect it on your new I-20 or new DS-2019. Please schedule an appointment with an OIP advisor to process a new immigration document. Bring your current I-20, passport, I-94, and supporting document indicating the changes to the appointment. If you are changing educational level, you must have an updated I-20 or DS-2019 BEFORE the start date of the new educational level. Student with dual admission I-20 and completed their INTERLINK requirement or have the English requirement waived must see an OIP advisor immediately.

Update Your Address Please complete and turn in the SEVIS change of address form within 10 days of your move. This applies to current students and students on Optional Practical Training and Academic Training.
