

## BLOG DOCUMENTATION

Blogs are websites that facilitate the chronological posting of entries. The current blog software we are using is WordPress Multiple User. It allows individuals to create a blog as well as collaborate on a group, department or organizational blog.

[Click here](#) to sign up for a blog. You can also sign up for a blog by typing in <http://blogs.valpo.edu/what-you-want-your-blog-name-to-be> and check to see if it is available. If it is, you will be prompted to create it.

If you have specific questions or concerns about blogging, please contact Bill Klein at x5754 or via email: [william.klein@valpo.edu](mailto:william.klein@valpo.edu).

For step-by-step instructions on using different aspects of WordPress Multiple User, please use the links on the left.
