

## IT FELLOWS BLOG

Aside from having their innovative projects showcased in campus-wide publications, the IT Fellows detail their progress and accomplishments in the IT Fellows Blog. This blog allows them to show the fruits of their hard work to the world, and also provides them updates as to what other cohorts are accomplishing.

The IT Fellows Blog has been known to create some friendly competition, as well. Everyone wants to have the best project when presentation time comes, after all!

The IT Fellows Blog can be found by [clicking here](#)
