

RECIPROCITY

Many law schools support a policy of providing job search assistance to students and graduates of other law schools through reciprocity. This allows law schools to provide reasonable access to their career resources for students and graduates from other law schools that agree to provide similar services. It is important to understand that each law school has its own reciprocity requirements. If reciprocity is granted, students/graduates should be sure to read and honor the reciprocity policy of the host school. If you would like us to request reciprocity for you, please contact us at careerplanning.law@valpo.edu or 219/465-7814, and we will assist you by sending a letter to that office.
