

**The Valparaiso University School of Law's Mentor Program is designed to help incoming students with their transition to law school. In this program, incoming students (1Ls) are paired with upperclassmen (2Ls and 3Ls) of similar interests and/or backgrounds.**

All incoming 1Ls should receive information on how to sign up early this summer and contact information for your mentors will be sent in late July.

All questions can be directed to Joseph Baruffi (Director of Student Relations) at joseph.baruffi@valpo.edu or Adam Pope (Vice President of the Student Bar Association) at adam.pope@valpo.edu.
