This approval form must be completed and submitted to the Registrar at the time the student registers for the course.

Independent Reading & Research Policy

(Adopted by the Faculty on 10/28/98)

1. Independent Research and Writing, from one to three credit hours, is to be a scholarly writing experience for our students.
2. Both the writing and research is to be done independently.
3. The project will be chosen by the student and will be proposed to and approved by the supervising faculty member before registration.
4. There will be an initial draft and a final version. The initial draft will be submitted to the supervising faculty and will be subject to heavy commenting. This will aid the student in improving research and writing skills — the goal of the course.
5. The guidelines for paper length are intended to be flexible but should reflect adequately the credit hours sought by the student.
6. The following are suggested:
 - a. For 1 hour credit —
Paper length: 15-25 pp., including appropriate footnotes
 - b. For 2 hours credit —
Paper length 25-35 pp., including appropriate footnotes
 - c. For 3 hours credit —
Paper length 35-45 pp., including appropriate footnotes
