

ALUMNI GUEST SPEAKER

Lara Pudwell ('03) will be visiting campus on Friday, February 8. Since leaving Valpo, Lara has been working towards her Ph.D. in Mathematics at Rutgers University, and is planning on completing her degree in May, 2008. Her talk at Valpo will be on her dissertation titled, "How to Cleverly Count Pattern-Avoiding Words". It will be at 9:05 a.m. in Gellersen Center, room 231.
